ISDE — The International Society for Diseases of the Esophagus

Sept. 16 - 19, 2018
VIENNA, AUSTRIA

Plenary Session | ISDE Session | Meet the Expert Session | Special Session | Joint Session | Abstract Session

Sun, 16 Sept

Audimax
Opening Ceremony
Opening Networking Reception

Mon, 17 Sept

Audimax	BIG Hörsaal	Hörsaal 01	Hörsaal 02
		MTE01: Personalized Medicine for Esophageal Diseases	ISS01: Mucosal Impedance (MI) - The Better Way to Diagnose GERD and EoE
PL01: Cutting Edge Endoscopic Management for Superficial Esophageal Cancer	PL02: Functional Esophageal Disorders and New Technologies: Integrating into Practice	FA01: Featured Abstracts I: Malignant	VS01: Video Session I: Malignant
Poster Session / Networking Break			
PL03: Plenary Debate Session	JS01: JES Session: Highly Advanced Techniques in Treatment of Esophageal Diseases (Video Session)	RA01: Regular Abstracts I: Malignant	RA02: Regular Abstracts II: Malignant
ISDE 01: Presidential Lecture			
ISS02: Clinical Updates in Surgical Treatment for Esophageal Cancer in China			
PL04: Multi Disciplinary Approach to Achalasia	JS02: Future Direction of Classification and Staging System for Carcinoma of Esophagogastric Junction	FA02: Featured Abstracts II: Benign Achalasia and Barrett's Esophagus	RA03: Regular Abstracts III: Malignant
Poster Session / Networking Break			
JS03: Current Issues for Multimodal Approach for Carcinoma of Esophagogastric Junction (ISDE IGCA, ESDE)	PL05: Advanced Endoscopic Esophageal Imaging: How Does it Fit in Your Practice	FA03: Feature Abstracts III: Malignant	RA04: Regular Abstracts IV: Malignant
	FA04: Feature Abstracts IV: Recent Topics in Esophagology	RA05: Regular Abstracts V: Malignant	JS04: ESDE Trainee Chapter Session

Tue, 18 Sept

Audimax	BIG Hörsaal	Hörsaal 01	Hörsaal 02
PL06: Pivotal and Currently On-Going Clinical Trials for Multimodal Treatment of Esophageal Diseases	PL07: What is New in Eosinophilic Esophagitis?	FA05: Featured Abstracts V: Malignant	VS02: Video Session II: Benign
Poster Session / Networking Break			
PL08: Genomic and Molecular Characterization of Esophageal Cancer - Does It Influence Treatment Strategies?	PL09: New Perspectives on Enhanced Recovery Pathways After of Esophageal Surgery	RA06: Regular Abstracts VI: Benign: Hernia and GERD	RA07: Regular Abstracts VII: Malignant
	SS01: Novel Surgical Reflux Therapies	MTE02: Meet the Editors of Diseases of The Esophagus	
PL10: Challenges for cT4 Esophageal Cancer-Conversion From "Care" To "Cure"	PL11: Novel Approaches for PPI Refractory GERD	FA06: Featured Abstracts VI: Malignant	RA08: Regular Abstracts VIII: Malignant
Poster Session / Networking Break			
PL12: New Horizons of Immuno-oncology in Esophageal Cancer: Where We Are Now?	JS05 ESDE 1 Session: Quality of Life in Esophageal Cancer	FA07: Featured Abstracts VII: Benign	RA09: Regular Abstracts IX: Malignant
ISDE Business Meeting			

Wed, 19 Sept

Audimax	BIG Hörsaal	Hörsaal 01	Hörsaal 02
PL13: Timing and Indication of Salvage and Conversion Surgery after Chemoradiation Therapy for Esophageal Cancer	JS06: ESDE 2 Session: Recent, Ongoing and Upcoming European Trails in Esophagology	FA08: Featured Abstracts VIII: Malignant	VS03: Video Session III: Malignant
Networking Break			
PL14: Minimally Invasive Procedures for Esophagael Diseases: Technical Tips and Pitfalls (Plenary Video Session)	JS07: CSDE Session Esophageal Squamous Cell Carcinoma: Perspectives from China	PL15: Diseases of the Esophagus Festival	RA10: Regular Abstracts X: Malignant
